Lignano Sabbiadoro is on the Adriatic coast, 80 km from Venezia Marco Polo airport. It is among the largest holiday resorts in Italy, and it is famous for its fine sand. For more information about Lignano, please visit www.lignanoabbiaodoro.it

THE VILLAGE

The MB International Summer Camp program takes place in a big holiday village called "Villaggio Adriatico" which hosts youth and family groups for sport camps and beach holidays. It has a 1.2 km long private beach, newly renovated lodging and excellent sports facilities, including 4 modern swimming pools (1 olympic size pool and 1 water park). The whole village is enclosed by a secure fence and constantly supervised by a professional security team.

CLIMATE

The temperature in Lignano varies between 25 and 35°C in summer. It can be cooler at night, but it rarely drops below 20°C. Sometimes it rains with sudden, strong and fleeting thunderstorms, which generally last approx. 2 hours, then the sun usually comes out again.

MB SPORT ACADEMY

Are your children playing sport at a competitive level? Enroll them to MB International Summer Camp and choose the option **MB Sport Academy**: they will live an international experience, practice the sport they love and speak English or Italian with their peers, in a safe environment!

MB Sport Academy is an International Summer Camp where **your children can study either Italian or English** in the morning **and practice their favourite sport** during the rest of the day!

Our students love to play sports during the Summer, in particular volleyball, beach-volley, basketball, five-a-side-football and swimming; that is why MB has developed the program MB Academy, to give to your children the possibility to practice one of this 5 sports during the day with a professional coach and to take English or Italian lessons in the morning, with native speaker and experienced teachers.

- All activities take place in multinational groups and the leaders encourage students to communicate in the language they are studying as much as possible.
