

MB SPORT ACADEMY

MB Scambi Culturali introduces **MB Sport Academy**, an International Summer Camp where your children can study either Italian or English in the morning and **practice their favorite sport** during the rest of the day!

MB is a language Tour Operator that caters for language skills for youngster since 1986 and has been organizing Summer Camps in Italy since 2004 in Lignano Sabbiadoro, in a **beautiful and modern village** with private beach, sport fields and swimming pools inside the building.

Basketball

Our students love to play sports during the Summer, in particular **volleyball, beach-volley, basketball, five-a-side-football and swimming**; that is why MB has developed this program, to give to your children the possibility to practice one of these **5 sports** during the day with a professional coach and to take English or Italian lessons in the morning, with native speaker teachers.

Beach-volley

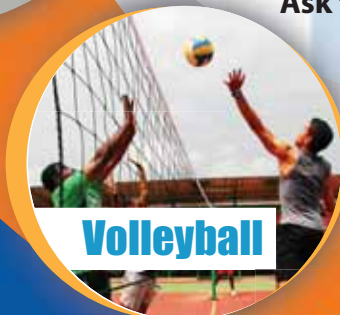

Five-a-side football

Are your children playing sport at a competitive level? Enroll them to MB International Summer Camp and choose the option **MB Sport Academy**: they will live an international experience, practice the sport they love and speak English or Italian with their peers, in a safe environment
