

SCHOOL GROUP INTEGRATION

This programme integrates students into day-to-day life in Irish primary and high schools while also experiencing a sample of life in Ireland at the same time.

- ✓ This is a unique programme where students get the opportunity to integrate with other Irish students and get a real feel for life in Ireland over a short period of time.
- ✓ Typical stay period is 1-2 weeks and groups stay with host families.
- ✓ Students are placed in an Irish primary or secondary school outside of Dublin.
- ✓ Students take part in extracurricular school activities

and are fully immersed into Irish life and culture.

- ✓ The programme covers schooling, accommodation and ongoing support for the student for the duration of the programme.
- ✓ This programme can be tailored to the specific requirements of a group.
